A MESSAGE FROM PASTOR RAYMOND

How are you progressing in learning God's language? As you begin to learn this new language, begin to speak it. We all know that when you learn a language, word by word, phrase by phrase, until you can put a sentence together, as with English so with God. Learn this language, word by word, keep repeating these words. Remember one of last weeks sentences, *"I am the Lord that healeth thee"*. Exodus 15 v 26. Take this one sentence one day, speak it over and over, assess how you feel in the morning before you start repeating these words, in the evening again assess how you are feeling. This is the nature of God as you speak these words. God's Spirit will move within you releasing a flow of God's Power into your body. This is the result of speaking God's language. You can only speak it if you learn it. As we speak the words we have learnt we release faith. Paul told the Romans - *"The Word is nigh thee – even in thy mouth, and in thy heart: that is the word of faith which we preach"*

Romans 10 v 8. Now let us take this one step further. First, I asked you to speak one sentence of God for one day, comparing how you felt in the morning, to how you finished the day. Did you feel better or not? Moving on with our lesson in speaking God's language, this is our next step. Regardless of how you may feel, or the visible manifestation of symptoms of sickness or disease in your body, now I would encourage you to speak out continually the Word of God you have learnt. Speaking God's language, through confessing God's promises, especially in such case as healing, and now begin to act upon them. 'This is what God says, so this is what will happen'. As you do this, the healing power of God will be released destroying the disease/sickness in your body. As you do this daily or for however long it takes, a flow of God's divine healing power is being released. Remember, if or should I say when, you speak God's language, and as you learn more and more, you will find yourself rejecting doubt and also you will find that your thoughts, your actions, your words, (learnt from another source) which do not line up with God, disappear, and you will find yourself speaking fluently God's language. What a difference this makes in your life. What a difference this would make in our churches up and down this land and in other nations. So from learning God's language God's power is released in our lives and we are releasing this power into our own lives. We are doing it ourselves. AMEN.

Keep doing, keep speaking, keep acting on these words. In Jesus Name . . . AMEN.
