In the name of Jesus I write to you, it is that I, once again, remind you of our 'Church Gift Day'.

As you are aware, we make very few financial appeals to you during the year. We don't have many 'fund raising events' throughout the year. Our appeal to you to help us 'financially' is not too heavy a burden because we believe that God is able to regularly, week in and week out, 'provide for His Church' and to ensure that 'HIS WORK' is ever on-going.

We may not be always able to see in the natural everything that God is doing, however, in the 'spiritual' I believe that God is doing all that He requires during this season, but, be assured that God is doing far more within His Church than some might recognise. Creating a 'body of believers' to work with one another and to be effective within the community is no mean task. It is the WORK of the Holy Spirit, recognising at all times that 'Jesus Christ is the Head'.

During the year we have made good, healthy progress in our presentation of our worship with our music and bible readings, creating a positive approach to worship. We also are producing recordings of our sermons, these are used getting them into the homes of people, neighbours, friends and family. We need to upgrade our technical side. Therefore I am asking for us to raise £500 towards this. Please recognise the importance that this has on our worship for today. Please seek God's directive in giving. Thank you.

Also we have made changes to our Monday activity. We hold a community Coffee Morning 10.00am – 12.00 noon. Come and bring someone along. We also have a 'Prayer & Fellowship' 10.30 – 11.30am

in which all are welcome for prayer or to pray.

We have a regular Sunday evening Healing Meeting (last Sunday in the month at 7.30pm) where specific supernatural release of God's healing and deliverance can be experienced. Bring those who are suffering needlessly to have a touch from God. This is for YOU, and for our community.

Our notice boards outside of the Church need updating. These events need to be advertised, to advertise them effectively, we need them to be well attended.

I ask for a further £500 towards the cost of our notice boards and advertising. Please ask God for directive in your giving.

Thank you for listening, thank you for getting involved, thank you for supporting this work. You are supporting God in establishing His Kingdom and Reign in East-the-Water.

May God richly bless you as you bless others in giving to Him what He has given to you.

Yours in Christ,

Pastor Raymond.
